Ogen: 1 Timotius 4:8

Latihlah dirindu

"I've missed more than 9.000 shots in my career. I've lost almost 300 games. Twenty six times, I've been trusted to take the game winning shot and missed. I've failed over and over again in my life. And that is why I succeed"

Ungkapen Michael Jordan enda ngertikenca rusur kel ia gagal. Tapi ibas kegagalenna e la i bosan, la erngadi-ngadi ka pe ia ncubakenca. Latihan terus latihan, la erngadi-ngadi latihan e erbanca maka dungna ia jadi pemain basket si sukses. Adi bage, situhuna guna jadi kalak sukses labo mesera ndatkenca. Latihan la erngadi-ngadi janah ola mbiar gagal/ talu. Mungkin nterem jelma, ije ia gagal ije minter ingadikena, emaka ia tetap lit ibas kegagalan.

Rasul Paulus ibas suratna nandang Timotius nurikenca: kerna latihan gerak badan lit piga-piga gunana, tapi latihan pertendin erguna ibas kai pe, sebab latihan pertendin e njamin geluhta subuk sigenduari bagepe sipagin. Iakui Rasul Paulus maka latihan gerak badan e mahanca sehat dengen mbelin gunana ku dagingta enda. Tapi ndauh pentingen asa si e eme kap latihan pertendin, sebab labo kesehatan fisik ngenca sikap banna tapi pe jaminina kegeluhenta gundari ras pagin.

Uga nge si ikataken latihan pertendin? Eme ngelatih kinitekenta enda. Kepe kinitekenta endape perlu tetap i latih. Adi la bage, kerina kegiaten kinitekenta langa bo jadi hal simendarah daging ibas kita. Misalna ibas kebiasaan-kebiasanta medak erpagi-pagi kita ertoto dengen ngoge Pustaka Si Badia, ibas kebiasanta guna rende asum kita erdahin pe, bage pe guna nuriken kesaksin kegeluhen ta erpalasken pustaka si badia. Si enda perlu terus ilatih. Adi lit kalak singatakenca la ia beluh ertoto, la beluh nuriken pengejapenna e jadi perban kurang ilatihna, kurang ibiasakenna. Asal enggo benakenna pasti enggo meriah iakapna. Emaka latihlah dirindu!

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes the need for transparency and accountability, particularly in the context of public institutions and organizations. The text highlights how proper record-keeping can help prevent fraud, mismanagement, and other forms of abuse.

2. The second part of the document focuses on the role of internal controls and audits in ensuring the integrity of financial and operational data. It discusses various types of audits, including internal, external, and specialized audits, and explains how they can be used to identify weaknesses and improve processes. The text also touches on the importance of training and education for staff involved in these processes.

3. The third part of the document addresses the challenges of data security and privacy in the digital age. It discusses the risks of data breaches, the importance of strong security protocols, and the need for regular updates and maintenance of IT systems. The text also mentions the importance of data backup and recovery plans to ensure business continuity in the event of a disaster.

4. The fourth part of the document discusses the importance of effective communication and reporting. It emphasizes the need for clear, concise, and timely communication between different levels of the organization. The text also discusses the importance of regular reporting to stakeholders and the public, and how this can help build trust and confidence in the organization.

5. The fifth part of the document discusses the importance of continuous improvement and innovation. It emphasizes the need for organizations to regularly evaluate their performance and identify areas for improvement. The text also discusses the importance of staying up-to-date with the latest trends and technologies in the industry, and how this can help organizations stay competitive and relevant.
