Matius 5: 41-42

Lebih Asa Arusna

"Adi pindonda sada, kubere dua kukelengi...em tandana kam ateku ngena" potongan syair lagu karo enda ngingetken kita kerna mere lebih asa si ipindo. Kai si ipindo kalak pe situhuna enggo cukup iakapna, tapi ban keleng ateta ia sitambahi ka asa kai si ipindona. Tentu pengalamenta rusur nge bage jadi ari, Moria? Meriahkin ukurta adi mindo kalak man banta, istilahna rusur: labo bagi kalak kita ibahanna tapi enggo bagi keluarga. E maka sada ngendai ipindona, minter sibereken dua. Kita pe meriah dengen megah siakap meresa, ia pe ngalokenca tuhu-tuhu ermeriah ukur. Radu ras kita memahamisa i bas kniniteken: mere alu meriah ukur labo nguraki si lit i bas kita, tapi Dibata tole mereken pasu-pasuNa man banta. Lit istilah "adi mindo la ralo e biasa, tapi mere la ialoken kalak tuhu-tuhu sakit siakap."

Khotbah Jesus i datas uruk si jadi oratenta sendah ngingetken kita kerna mereken diri i bas kai-kai pe. Adina lit kalak maksa maba barangna sada kilometer dauhna, babalah barang e dua kilometer dauhna. Alu bage terakap iakapna i bas pemerendu si lebih e dengen lebih asa si ipindona.

Tuhanta Jesus Kristus enggo mereken diriNa i bas kegeluhenNa asum Ia i doni enda. IlakokenNa si mehuli, ilakokenNa lebih asa si ipindo ajar-ajarNa dengen jelma si enterem, si e kerina ncidahkan maka ia tuhu-tuhu maksimal i bas nehi kerna sura-sura BapaNa man doni enda. Kita pe ngusih Ia i bas kerina perbahanenNa erkeleng ate man doni enda. Silakoken pe nandangi saph-saph kita manusia. Janah adina silakoken kerina alu mehuli dengen maksimal, terpujilah gelar Dibata arah kegeluhenta.

Ambillah resiko yang lebih besar dari apa yang dipikirkan orang lain aman. Berilah perhatian lebih dari apa yang orang lain pikir bijak. Bermimpilah lebih dari apa yang orang lain pikir masuk akal (Claude T. Bisell)

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes the need for transparency and accountability, particularly in the context of public institutions and organizations. The text highlights how proper record-keeping can help prevent fraud, mismanagement, and other forms of abuse.

2. The second part of the document focuses on the role of internal controls and audits in ensuring the integrity of financial reporting. It discusses the various types of audits, including internal, external, and forensic audits, and explains how they contribute to the overall reliability of the financial statements. The text also touches upon the importance of a strong internal control system in minimizing the risk of errors and fraud.

3. The third part of the document addresses the challenges of managing complex financial data and the need for effective data management systems. It discusses the importance of data accuracy, consistency, and security, and provides insights into how organizations can implement robust data management practices. The text also highlights the role of technology in streamlining financial processes and improving data accessibility.

4. The fourth part of the document explores the impact of financial reporting on stakeholder decision-making. It discusses how financial statements provide valuable information to investors, creditors, and other stakeholders, and how this information is used to assess the financial health and performance of an organization. The text also touches upon the importance of clear and concise financial reporting in building trust and confidence among stakeholders.

5. The fifth part of the document discusses the role of financial reporting in corporate governance and the importance of ethical considerations. It emphasizes the need for transparency and accountability in financial reporting, and discusses how ethical considerations should be integrated into the financial reporting process. The text also highlights the importance of a strong corporate governance framework in ensuring the integrity of financial reporting.

6. The sixth part of the document discusses the challenges of financial reporting in the digital age and the need for continuous improvement. It discusses the impact of new technologies and digital transformation on financial reporting, and provides insights into how organizations can adapt to these changes. The text also highlights the importance of continuous improvement in financial reporting to ensure the highest level of accuracy and reliability.

7. The seventh part of the document discusses the role of financial reporting in sustainable development and the importance of integrating environmental, social, and governance (ESG) factors into financial reporting. It emphasizes the need for transparency and accountability in reporting on ESG factors, and discusses how this information can be used to assess the long-term sustainability and resilience of an organization. The text also highlights the importance of a strong ESG framework in ensuring the integrity of financial reporting.

8. The eighth part of the document discusses the challenges of financial reporting in the global context and the need for harmonization of financial reporting standards. It discusses the impact of different accounting standards and practices on financial reporting, and provides insights into how organizations can navigate these challenges. The text also highlights the importance of international cooperation and harmonization of financial reporting standards to ensure the highest level of accuracy and reliability.

9. The ninth part of the document discusses the role of financial reporting in the future of business and the importance of innovation and digital transformation. It discusses the impact of new technologies and digital transformation on financial reporting, and provides insights into how organizations can leverage these technologies to improve financial reporting. The text also highlights the importance of innovation and digital transformation in ensuring the highest level of accuracy and reliability.

10. The tenth part of the document discusses the challenges of financial reporting in the future and the need for continuous improvement. It discusses the impact of new technologies and digital transformation on financial reporting, and provides insights into how organizations can adapt to these changes. The text also highlights the importance of continuous improvement in financial reporting to ensure the highest level of accuracy and reliability.
