Ogen : Daniel 10:1-20

Reh Gegehna Aku

Daniel ndatken sada berita sierbahanca ia kote. Berita e berita kerna peperangen simbelin. Janah berita e idatkenna arah pengenehen. Telu minggu dekahna ceda atena, la man pangan sientabeh, lau anggur la iinem janah la ersuri. Sienda kerina nuriken kecedan atena. Bas sada paksa iidahna sekalak erpaken uis linen, gendit emas tulen, dagingna ersinalsal, ayona erndilap, matana bali ras api, tan ras nahena desken tembaga janah sorana pinger (persuruhen Dibata). Daniel ngidah sie ngirgir ia, lanai ergegeh janah ayona pe sambar. Ibeginna sora e pingsan ia langkem ku taneh. Kenca sie lit tan simpekeke ia dinging ngerana maka keleng kel ate Dibata ia (Daniel) emaka ola mbiar sebab Dibata megiken pertotonna. Megi ranan e minter Daniel tungkuk, janah malaikat pe ngkuit biberna. Bas paksa e Daniel nuriken kebiarenna, maka lanai lit gegeh ras kesahna bas ngaloi sikataken Malaikat e. Kenca sie ijemak persuruhen e sekali nari Daniel e maka reh gegehna ia, janah nina malaikat e "Dibata erkeleng ate man bandu...". minter ertambah-tambah gegeh Daniel.

Jadi renungenta, banci jadi lit kebiaren bas geuhta, ngalaken peperangen (persoalen) si erbahanca kita kote, lanai ergegeh janah menam pingsan. Lanai tempa lit simperdiateken entah siengkelengi kita. Tenanglah begiken sora Tuhan maka keleng kel ate Dibata kita (Bagi sikataken Dibata man Daniel). Keleng ateNa e sinambahi gegehata. Kekelengen e erbahanca megegeh dinging tambah semangat geluh. Keleng ateNa la ersibar, tetap ngarak-ngarak kegeluhen bali ras keleng ate orang tua man anak-anakna. Erdandanken sie ula kel sempat turah pengejapen kelinon kekelengen.

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes the need for transparency and accountability, particularly in the context of public institutions and organizations. The text highlights how proper record-keeping can help prevent fraud, mismanagement, and other forms of abuse.

2. The second part of the document focuses on the role of internal controls and audits in ensuring the integrity of financial and operational data. It discusses various types of audits, including internal, external, and specialized audits, and explains how they can be used to identify weaknesses and improve processes. The text also touches on the importance of training and education for staff involved in these processes.

3. The third part of the document addresses the challenges of data security and privacy in the digital age. It discusses the risks of data breaches, identity theft, and other cyber threats, and provides guidance on how to implement robust security measures to protect sensitive information. The text also touches on the legal and ethical implications of data collection and use.

4. The fourth part of the document discusses the importance of effective communication and reporting in organizational management. It emphasizes the need for clear, concise, and timely communication, particularly in the context of financial reporting and performance evaluation. The text also touches on the importance of transparency and accountability in the reporting process.

5. The fifth part of the document discusses the role of technology in improving organizational efficiency and effectiveness. It discusses various types of technology, including software, hardware, and cloud services, and explains how they can be used to streamline processes, reduce costs, and improve service quality. The text also touches on the importance of staying up-to-date with the latest technological trends and innovations.

6. The sixth part of the document discusses the importance of human resources management in organizational success. It discusses various aspects of HR, including recruitment, training, performance management, and employee relations, and explains how they can be used to attract, develop, and retain top talent. The text also touches on the importance of creating a positive work environment and promoting employee well-being.

7. The seventh part of the document discusses the importance of risk management in organizational decision-making. It discusses various types of risks, including financial, operational, and reputational risks, and explains how they can be identified, assessed, and mitigated. The text also touches on the importance of having a clear risk management strategy and framework in place.

8. The eighth part of the document discusses the importance of sustainability and social responsibility in organizational management. It discusses various aspects of sustainability, including environmental, social, and governance (ESG) factors, and explains how they can be used to create long-term value for the organization and its stakeholders. The text also touches on the importance of being transparent and accountable in reporting on sustainability performance.

9. The ninth part of the document discusses the importance of innovation and continuous improvement in organizational management. It discusses various types of innovation, including product, process, and service innovation, and explains how they can be used to drive growth and competitive advantage. The text also touches on the importance of creating a culture of innovation and encouraging employees to think creatively and take initiative.

10. The tenth part of the document discusses the importance of leadership and governance in organizational success. It discusses various aspects of leadership, including vision, strategy, and communication, and explains how they can be used to inspire and motivate employees. The text also touches on the importance of having a strong governance structure and framework in place to ensure the organization is run in a responsible and ethical manner.
